

ENTRANCE SEATING AREA - LBN107 & MLC208

ENTRANCE BOLLARD PROTECTION - MBD203

LBN107 & MLC208

**Project Name:**  
**Irish World Heritage Centre**  
**Manchester**

**SUPPLY**  
**ONLY**

**Contractor:**  
**Willmott Dixon**

An interesting building set in a landscaped area with space for external events. We photographed this project 18 months after completion, the Langley benches had mellowed to silver grey. The stainless steel litter containers in a simple style compliment the unfussy nature of the design.
