CLASSROOM CANOPY - MCP200

MCP200

CLASSROOM CANOPY - MCP200

Project Name:
John Perryn Primary School
London

Contractor:
Willmott Dixon

SUPPLY +
INSTALL

This award winning John Perryn Primary School designed by Penoyre & Prasad and built by Willmott Dixon, gained an enormous amount of media coverage. We were delighted to win work to provide bespoke classroom canopies. We used the architects design intent and provided structures that worked with full design calculations. Coloured polycarbonate sheeting added to the stunning visual impact. We also supplied and installed Sheldon cycle shelters in Douglas Fir.
