---

is a member of Timber Development UK. Timber Development UK has been formed from the merger of TRADA and Timber Trade Federation. It is the only organisation to cover the full supply chain from sawmill to specifier. The organisation is intended to act as a centre of excellence for the industry, providing the largest library of technical specification data and guidance, along with training, inspiration and advocacy for timber design and construction.

All Members are required to adhere to the high business and environmental standards contained in our Code of Conduct. The timber industry is proud of its strong environmental credentials and recognises its responsibility to help protect forests for future generations.

Membership of Timber Development UK can be verified at [www.ttf.co.uk](http://www.ttf.co.uk)
